

# Conformity Attestation

## No.: KIWA-21-DW-10090

### of the certification body

### regarding the suitability of products for drinking water

### hygiene – P1

Product: **Pipes (P1)**  
**Connection hose (multilayer)**  
**Profiline Aqua Plus**  
**Temperature 23°C and 60°C**

Manufacturer: **TRICOFLEX SAS**  
  
**17 Avenue Jean Juif CS 70015**  
**51301 Vitry-le-François**  
**France**

according to system 1+ with external monitoring for the following production sites:

- **51300 Vitry-le-François, France**

#### Reference / confirmation:

It is hereby confirmed that the above mentioned product / component

- based on the certification program "D6 KTW-UBA dated 2019-04-16-Rev03" of the certification body:  
„Kiwa GmbH, Gutenbergstr. 29, 48268 Greven“,
- the product information provided, including the recipe evaluation R20100
- the evaluation reports mentioned on page 2

fulfills the requirements of the assessment basis/guideline of the Federal Environment Agency (UBA):

**„Conformity attestation of product hygiene suitability for drinking water“.**

Greven, 03.03.2021

i.V. Martin Sieger  
- Deputy Head of Certification Body –

Valid from 03.03.2021

Replaces  
First edition

Valid until 21.03.2023

Number of pages 2

This conformity attestation also applies to the following products / components:

Connection hose (multilayer) - Profiline Aqua Plus

Diameter range (inner diameter x outer diameter): 10x15, 13x20, 19x27, 25x34,5 mm

The following mentioned assessment reports/test reports, (deposited at Kiwa)

Testreport: **K-291563-17-Ko dated 15.11.2017**  
migration requirements according to KTW Guideline

Testreport: **W-293239e-17-SI/to dated 19.12.2017**  
enhancement of microbial growth according to DVGW  
Technical Standard W270, November 2007

are part of the conformity attestation.

The recipe and specific product requirements are laid down in the for confidentiality reasons undisclosed 'appendix A' to this certificate.

The confirmation of conformity is valid from the date of issue and remains valid until 21.03.2023 as long as the conditions listed under "Notes" are fulfilled.

Notes:

The conformity attestation was issued under the condition that the starting materials used to manufacture the product or their composition and/or components, including their manufacturer and supply chain, were fully disclosed and no other substances are contained in the product.

The validity of this document expires in case of changes in the composition of the product or in the processing conditions not agreed with the certification body and in case of non-compliance with the conformity requirements as well as in case of termination of the 1+ system monitoring programme of the certification body and manufacturer.

The results of our audits and the assessments apply to the test items examined and the statutory regulations applicable at the time of the audit. This document may only be published or reproduced in complete and unchanged form without our express written consent.
